1/5/23 Press Release – Seven Clans Casinos

Seven Clans Casino Thief River Falls & Waterpark | Alcohol

Thief River Falls, MN – Red Lake Gaming Inc. and Seven Clans Casinos are pleased and excited to announce that the sale of alcohol is in the works for the Thief River Falls location in the near future. The longstanding ban on alcohol at the Thief River Falls Casino will end soon. Red Lake tribal members held a special advisory vote regarding the sale of alcohol at the Thief River Falls casino location, and Red Lake Nation approved it on November 8, 2022.

Seven Clans Casino-Thief River Falls is undergoing comprehensive training on alcohol service and alcohol awareness for all team members. Angela Dauphinais, Red Lake Gaming Inc. CEO, states, "Alcohol service at our property has been one of the most repeated requests made by our guests for many years, and we are happy to be able to deliver. We understand the great responsibility that comes with offering alcohol and we are in the process of preparing our teams for this new, highly anticipated amenity to enhance our guest experience safely and responsibly."

Alcohol sales will be offered on the casino floor, in the River Road Cafe, and in the Casino meeting room areas. We are in the process of designing a new bar on our gaming floor. The sale of alcohol presents vast entertainment opportunities. We are diligently exploring options now possible with this new amenity, such as concerts, live bands, and VIP events.

Seven Clans Casino in Thief River Falls currently features 150 hotel rooms, a gaming floor with over 600 gaming machines and four blackjack tables, along with three dining establishments, several meeting rooms, and a 40,000 sq. foot indoor waterpark and arcade. For more information regarding our Casino, hotel or waterpark, please visit our website at www.sevenclanscasino.com.
