**7 CLANS' FREE PLAY IS NOW CALLED MIGIZI PLAY!** Migizi is Ojibwe for bald eagle, and we want you to feel free to soar with all the winning freedom the new name brings. Enjoy your Migizi Play, and spread those wings and win!

**It's EASIER To Understand:**

We've made earning points at Seven Clans Casinos easy. While other clubs are vague and require a lot of fancy math to figure out your point redemption, we've made it simple for you. Every \$5 you play on a slot machine = 1 point and every \$10 you play on a Video Poker/Keno = 1 point. We wanted it to be easier for you to earn and keep track of your points so you know exactly where you stand. It's just easier all around!

**It's FASTER To Earn Points, Tiers & Rewards:**

At Seven Clans Casinos, you can earn points, tier levels, and rewards faster than ever before. And when you earn points faster, your points add up faster! So you can go from the Seven Clans ① card to Seven Clans ⑦⑦⑦⑦⑦ card even faster. The higher the tier level, the more perks you receive!

And, faster rewards mean that you can earn Migizi Play, dining credits and other great perks faster! It's just faster all around!

**It's BETTER All Around:**

Instead of six months like other Player's Clubs, we give you a whole year to earn and maintain your tier. We also have fun perks like water park passes, birthday food and Migizi Play, and a reward for earning one of our higher tiers. The possibilities are endless!

**FAQ'S**

**Q: WHY SHOULD I GET A SEVEN CLANS PLAYER'S CLUB CARD?**  
A: Signing up is free and easy! When you play with a Seven Clans Player's Club card you can earn exciting rewards and benefits for your play.

**Q: HOW DO I USE MY SEVEN CLANS PLAYER'S CLUB CARD?**  
A: Just place your card in the slot machine reader before you play, once it reads your name you're good to go. If you are playing live blackjack, give your player's card directly to the dealer or supervisor so they may record your play. We do not currently offer points or play tracking on live poker tables.

**Q: WHAT IS THE DIFFERENCE BETWEEN POINT PLAY AND MIGIZI PLAY?**  
A: There are two types of rewards you can earn on your account while playing in the casino. Point play are points that can be redeemed for Migizi Play directly from your card onto the slot machine. Migizi Play is free slot play that is awarded through direct mail offers or promotional giveaways/events that are available directly on your account during the valid period. Migizi Play may only be redeemed on a slot machine and has no cash value and is non-transferable.

**Q: HOW DO I EARN A POINT?**  
A: You earn 1 point for every \$5 played on a slot machine, and you earn 1 point for every \$10 played on a video poker or keno machine. You can also earn points at the tables based on length of play and average bet.

**Q: WHY DO I NEED TO USE MY PLAYER'S CLUB CARD TO GET "PERKS"?**  
A: By using your player's card we are able to determine what special offers, discounts, or other great things you are eligible to receive!

**Q: WHEN DOES MY POINT BALANCE EXPIRE?**  
A: That's the best part, your earned point balance will never expire as long as you visit any Seven Clans Casino location and earn at least 1 point in a rolling 13 month period.

**Q: HOW MUCH ARE MY POINTS WORTH?**  
A: You can redeem your points toward Migizi Play or towards the purchase of items at restaurants, hotel, and gift shops at any Seven Clans Casino location. Every 50 points equals \$1. Points earned on multiplied points days may be redeemed toward Migizi Play downloads on the slot machines and purchases at the restaurants, hotel and gift shops but do not count towards tier status.

**Q: WHAT ARE BASE POINTS?**  
A: Base points are the regular points earned while playing with your player's card on slot machines or table games not including any special point multiplier promotions. Points are not earned while playing with Migizi Play.

**Q: HOW DO I QUALIFY FOR A HIGHER LEVEL CARD?**  
A: Tier status is based on earned base points only. Migizi Play such as direct mail offers, drawing, tournament, promotional winnings, and point multiplier promotions are not considered when determining Player's Club card tier status. Points are not earned playing with Migizi Play.

**Q: HOW LONG DO I HAVE TO EARN UP TO A NEW TIER AND WHAT HAPPENS IF I DON'T EARN THE POINTS TO KEEP MY CURRENT TIER?**  
A: Tiers are renewed once per year on January 1<sup>st</sup>. As you play and earn base points you can continue to advance tiers throughout the year. At 11:59pm on December 31<sup>st</sup> all players will be assigned to the tier they reached by that time and they will remain that tier for the next year or until they advance tiers. If a player does not earn the required points to maintain their tier, they will be downgraded to the applicable tier.
